

► Membership benefits at a glance

The Yokohama Chamber of Commerce and Industry (YCCI) has for years served as a promoter, advocate, business opportunity interlocutor, researcher, and community representative. Most of all, the Chamber has served as a partner facilitating and working with the Yokohama business community to help their pursuit of growth and prosperity.

The Chamber presently provides the following member benefits:

- Participate in business promotional activities
 - Participate in advocacy-related events
 - Participate in networking-focused gatherings
 - Participate in business seminars and speaker events
 - Voting rights if company is a Yokohama-based entity
 - Eligible for election to YCCI board officers
 - Receive YCCI Quarterly Journal
 - E-newsletter
 - Free business consultation
 - Corporate loan/financing consultation
 - Discounted rates on trade certificate applications
 - Discounted rates on various events
 - Discounted rates on room rentals
- and many more...

► Application and annual dues

Annual membership dues are calculated based on how much your capital or “shihonkin” is. Minimum dues are 15,000 yen per share. Corporations with their capital of 3,000,000 yen or over are urged to grant two shares of 30,000 yen per annum or more.

Application procedure is quick and easy.

Please contact us so that we can send you an application form.
